Feeding the Darkness

Thank you for publishing 'Feeding the Darkness' (29 July). Friends at Mansfield Meeting would like to congratulate Lynn and David Morris for their courage and their ministries in designing and performing this work.

Bringing Q-CAT (Quaker Concern for the Abolition of Torture) to Local Meetings and making us more aware of state-sponsored torture is such important witness.

We can think of no better activity for Quaker Week and look forward to their performance in Mansfield on 9 October.
